

OUTER BURIAL CONTAINER RETAIL PRICING

These prices are effective as of April 10, 2020 and are subject to change without notice

State or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or burial vault will satisfy these requirements.

UNEXPOSED CONCRETE		
AEGEAN VAULT TESTED AT OVER 13,800 lbs. OF PRESSURE (not to full implosion).	Grave Size	Price
